In the G.O. cited (copy enclosed for ready reference), the Government accorded general permission to carry on Kumari cultivation in certain villages of Puttur, Coondapur and Kasaragad taluks subject to the conditions laid down therein. This concession was granted for 3 years and it terminated in 1947. No further extension was applied for.

2. In the villages mentioned in the G.O. there is such scope for raising food crops through Kumari cultivation. There are vast area of non kumaki unreserved land covered with scrub jungle or other tree growth. There are hill tribes who have taken to this sort of cultivation which is more laborious than ordinary wet cultivation. If the concession is revived, it will increase food production.

3. Under the circumstances I request that the Board may be plased to move the Government to revive the concession for a period of 5 years. All the conditions laid down in the G.O. except condition 2 may be imposed. The excepted condition relates to the maximum extent of kumari cultivation in any village. In view of the acute food shortage in the province, this condition may be deleted.

....

2. In the circumstances reported by the Collector of South Kanara, the Board recommends the revival of the concession for a period of 5 years deleting condition 2 of the G.O. cited.

2. The Collector recommends the extension of the concession for a period of 4 years from fasli 1361 as the concessions granted in G.O.No.2198 Revenue dated 24-8-1949 will be in force till the end of fasli 1360. The Board considers that the extension of the concession for 4 years at a stretch will not be desirable and recommends that the concession may be extended for a period of 2 years from fasli 1361.

The Board of Rev. has supported the Coll'r's recommendation. This Dept may accept the
